2020 Conference & Trade Show Statement: COVID-19

The Canadian Parking Association is actively monitoring the coronavirus (COVID-19) situation. Currently there are no plans to postpone or cancel the 2020 Annual Conference and Trade Show scheduled from October 4 – 7, 2020 in Montreal, Quebec.

Planning for this event is ongoing and we will continue to assess the situation in the coming months. Attendees are encouraged to complete their registration plans as normal, with the assurance that if the conference and trade show is cancelled by decision of the Board of Directors, or due to Canadian Federal Government Advisories, the Cancellation policy for delegates and exhibiting companies will be amended to allow for the **full refund of conference fees**. Until that decision is declared, cancellation fees will remain unchanged.

Note that this does not extend to the Bonaventure Hotel or other contractors and suppliers associated with this event.

We urge you to stay informed on this situation and will add updates to the Canadian Parking Association's actions as necessary. Thank you for your continued support of the Canadian Parking Association and we look forward to offering a first-class event for all attendees.
